Mr. Aidan Nuttall

Re: Notice of a Motion for Rule 137 Sanctions and an accompanying ARDC to be file against you

Today I received a copy of your Response Brief to Motion to Stay which is filled with misstatements of material fact and law in direct violation of ARDC Rule 3.3(a).

Your colleagues at the IDHS are now facing ARDC Complaints for their filings. You appear to be wanting to file in their footsteps. I will present you with the opportunity to take the necessary remedial action to cure the evidence of your misconduct present in your Response brief, by filing a motion in 24 hours to withdraw it.

Failure to cure professional conduct, results in a "Second" charge of professional misconduct.

Mr. Nuttall please act accordingly.
